GREENVILLE VS. KAUFMAN

THE LOCALS WON BY ALMOST A SHUT-OUT.

All of the Home Team Were Playing Good Ball in the Game.

The second game of the series with Kaufman was played yesterday. The fireworks opened in the first inning when the locals scored two runs. The visitors made their solitary score in the fifth. The score:

Two base hits, Hudson, Buster; Three base hits, Pankley; Struck out by Wakenfield 12, Lowry 9; Hit by pitched ball, Witt, Pickett, Lowry; Sacrifice hits, Pickett, Sealy, Hardy; Bases on balls off Wakenfield 1, off Lowry 3; Stolen bases Hogarty; Time of game 1 hour and 45 minutes. Umpire—Cameron.

Pankley swatted the cow hide for a nice three-base hit in the sixth bringing in a run ahead of him. Joe Bond made a fine stop of an awful hard chance and got his man. Dodd played a fine game at short making several fine stops. Big John Sealy was with us for a bit and a run.

Wakenfield pitched a nice game getting 12 strike outs and allowing only 4 hits.

Stanfield, a new T. C. U. pitcher arrived yesterday and may pitch today. We opened the game good getting three hits and two runs in the first inning.

Buster was back in the game and got a nice two-bagger bringing in a run.

Kaufman only got one run, which was made in the fifth and it looked mighty good for a shut-out.

Greenville only made one error, it being made in the ninth inning.

Kaufman has played two errorless games.

Capt. Hardy played fine first sack.

Won America's Greatest Speed Race But Lost the Honor.

May 26th, at Indianapolis, the greatest auto speed race in the history of America was pulled off. The distance was two hundred miles, and was covered by a Marmon racing car in 166 minutes, lowering any previous record made by a goodly number of minutes. While the Marmon won the race she lost the honor. The Marmon car was a 75 horse power, and was looked upon as the most perfect racing car ever built in America. Although winning the race, she lost the honor for the reason that a Jackson stock car, a car catalogued and sold every day, built for service and not for racing, and only a 50 horse power, covered the distance in 171 minutes, only losing by five minutes the greatest and swiftest race ever pulled off in America. The Jackson went the entire two hundred miles without a stop, which was not true of any other of the many cars in the race. The fact that it was known that all cars except the Jackson in the contest, were cars built especially for the race, and the further fact that the Jackson held second place from the start with every hope of winning, the entire interest was centered in the Jackson, and although losing only a few minutes the Jackson was accorded all the glory of the race. So far this season the Jackson cars have won great honors and complete victories in every contest of any importance. The Jackson Auto Co. builds only service cars, cars for life, comfort and economy, and she is today conceding the honor of first place in the ranks of the very best builders. The Jackson Auto Co. puts every mechanical superiority in to her medium priced cars that is to be found in the best that the factory builds. It is H. Collins, who is agent for the Jackson car in Greenville, is in a position to show the editorial car in point of detail that made the phenomenal record at Indianapolis. The Jackson car is the car seldom seen in the repair shop, but as the monarch of the road, it can be found ever at its post. This account was taken from the Motor Age.

FIRE SWEEPS JOSEPHINE.

Even Buildings Badly Damaged. Loss Over \$10,000.

Josephine, Tex., June 14.—Fire at this place early this morning caused a loss estimated at over ten thousand dollars. Insurance four thousand. The flames broke out in a barber shop. A bucket brigade was formed, but was unable to cope with the fire, which quickly spread to adjacent structures and swept seven buildings.

Among the principal losers are: V. R. Montgomery, dry goods; Swannon and Yates building; Tarrant's barber shop; G. E. James' grocery; Welch and Wilson, druggists; G. H. Yeatt building; W. A. Tyner, restaurant, and the Farmersville Cotton Oil Co., warehouse.

AN INDUSTRIAL CONGRESS

TWENTY-FOUR NORTH TEXAS COUNTIES REPRESENTED.

Meeting to be Held at Booster Club Rooms Thursday Morning.

On Thursday morning, June 16th, representatives from the counties of Kaufman, Van Zandt, Wood, Gregg, Harrison, Marion, Cass, Camp, Smith, Hopkins, Titus, Rains, Hunt, Collins, Rockwall, Grayson, Fannin, Delta, Lamar, Red River, Franklin, Upshur, Morris and Bowie will convene in the city of Greenville, Texas, for the purpose of organizing an association to be known as the North East Texas Development and Industrial Congress.

The object of this organization is to unite all the above mentioned counties into one great body for the purpose of advertising and exploiting this section of the state and among those who will be present to assist in the work are: Hon. S. A. Lindsey of Tyler, T. J. Kient, Pres. State Fair of Texas; J. A. Arnold, Pres. Texas Commercial Secretaries Association, Ft. Worth; H. E. Hershey, Secy. Board of Trade, Ft. Worth; J. R. Babcock, Secy. Chamber of Commerce, Dallas; Mr. Peeler, Immigration Agent, M. K. & T. of Texas; Will L. Sargent, Immigration Agent T. & P. of Fort Worth; and Judge Kone of Austin, and invitations have been extended to many other noted men throughout the state.

The Greenville Booster Club is making preparations to give the delegates a royal time while in the city, and there is no doubt in the minds of those who are launching the proposition, but what it will be a howling success.

A splendid program is being arranged for the day and various publications over the territory have been requested to give the matter as much publicity as possible.

The conservative business men and citizens throughout the country do not hesitate at all to acknowledge the fact that North East Texas is what we term, "The Garden Spot" of Texas from an agricultural, fruit growing and mining standpoint, however, the people of North East Texas do not seem to realize the prize they have in their uncultivated lands. Neither do the people of the state at large have any clear conception of what is in store for North East Texas provided her many and varied resources could only be utilized as they should.

North East Texas has failed to make known to the great outside world the merits of her lands, with natural advantages and resources. She has permitted knowledge of the invasion of the cotton boll weevil to become known throughout the country, but has failed to generally and intelligently advertise the fact that she possesses millions of acres of what are among the best hog raising.

MAY STAY UNTIL JANUARY

HAWKINS TIME DOES NOT EXPIRE UNTIL THAT MONTH.

Commissioner Discharged His Duties in the Office Yesterday as Usual.

Austin, Texas, June 14.—It would seem from a search today of the records of the department that Commissioner of Insurance and Banking Hawkins' term of office does not expire on August 21, 1910, as contended by the governor, but instead expires on January 22, 1911. The record shows that Thomas H. Love was appointed on January 22, 1909, and resigned one year later, when Mr. Hawkins was appointed, consequently Mr. Hawkins has until next January before the governor can appoint his successor.

Commissioner Hawkins was discharging his duties today as usual and declined to discuss the situation any further.

The governor had nothing further to say. Secretary Hanksy of the first rating board, in answer to a question, said today that not one of the insurance companies had yet advised the board that it would comply with the board's request to defer collections under the new law.

Baptizing this Afternoon.

Rev. E. D. Reese, pastor of the West Greenville Baptist church, will administer the ordinance of baptism at 4 o'clock this afternoon at the First Baptist church. In consequence of the baptizing the Ladies Aid Society of the West Greenville Baptist church will not meet this afternoon.

Aged Lady Injured.

Reid, Hubey yesterday morning received a message saying that his grandmother, Mrs. Hubey, Monday afternoon had the misfortune to fall at the home of his father at Vansickle. She was unconscious yesterday morning. She is 97 years of age and it is feared that she cannot recover.

TWO FINGERS CUT OFF.

Carlton Justice Met With an Accident On a Job Press.

At 1:30 yesterday afternoon Carlton Justice, son of Mr. and Mrs. Bob Justice, was cleaning a job press in the Herald office while in motion. He had a piece of cloth around his hand and it caught in the cogs. The third and fourth fingers of his right hand were cut off and another finger was lacerated. He was taken home and last night was reported as resting quite easy.

CHARGES BY MR. RANDELL

JUDICIARY COMMITTEE MEMBERS ACCUSED OF ACCEPTING GIFTS.

Rep. Parker, of New Jersey, Chairman and Other Members, Employed and Receive Gifts From Lines.

Washington, D. C., June 14.—Members of the Judiciary committee of the House were accused today of having received "employment and gifts of great pecuniary value" from the railroads to the extent that they were rendered incapable of fair judgment in regard to railway legislation before them.

Representative Randell of Texas, who made the charge, asked that a bill covering gifts of passes to congressmen be returned before the House.

Representative Randell's charge alleged that Representative Parker, of New Jersey, chairman, and other members of the committee were receiving in addition to the "employment and gifts," also "frank and compensation of great and pecuniary value."
